this book makes an argument critical to literary theory and sexuality in 2022 it argues that colette's fiction portrays a woman struggling to live in the throes of the incest taboo understood in its psychological implications for power relations both private and public then and now informed by julia kristeva's work it approaches colette's writing and its

translation along with two films via close psychoanalytic readings it demonstrates that this version of kristeva s psychoanalytic theory in an accessible form and with emphasis on the psychology of women and social transformation helps to read colette for the twenty first century as well as to show how kristeva s theory works this volume examines especially colette s most admired novels especially from the second half of her life including the much misunderstood *la maison de claudine* 1922 where the incest taboo surfaces in the relationship of the narrator with the mother the taboo had appeared two years earlier in *chéri* 1920 in the rapport between the maternal léa a woman of a certain age and the young man chéri finally in *gigi* the incest taboo characterises the relations between the young teenager of the eponymous title and her much older uncle figure gaston

nadia davids s moving play *cissie* evokes the life of an extraordinary woman cape town activist cissie gool from the early days of her girlhood to her death in 1963 the play allows us to glimpse into her world the dynamic social and political home of her childhood the heady years of her public speaking and marriage and her difficulty in trying to live a free life under the traumatic shadow of colonialism and apartheid through monologue shadow theatre and poetry the lost world of cissie s home district six is recreated this edition includes an introduction by the playwright vocabulary help on the page exam style questions for learners and information on the play s historical background
